Dear Patient,

I am writing with mixed emotions to inform you that I am retiring from the active practice of medicine. I will continue to be available to provide you with care through December 31, 2020 but not after that date.

The Gastroenterology Group, PA will retain custody of your medical record. My partners, Dr. David Salowe and Dr. Scott Modena, will be available to provide you with excellent GI care. You, of course, are free to make alternative arrangements for your future care but I assure you that you will be in good hands after my departure. Should you choose to make alternative arrangements for your care, I recommend that you find a new physician as soon as possible as your condition may require medical attention in the future. The Gastroenterology Group will be glad to provide you with a copy of your medical record or, with your authorization, forward a copy of your medical record to another physician that you designate. Please request a Record Release form should you wish to do this.

It has been a privilege to care for you and my other patients over the years. I have greatly valued our relationship and thank you for your loyalty and friendship over the years. Best wishes for your future health.

If you have any questions, please call 609-953-3440.

Sincerely,

John J. Kravitz, MD, FACP, AGAF
