The Gastroenterology Group, P.A.

Notice to HMO Patients: HMO insurance companies require patients to have referrals BEFORE they have a consultation, procedure, follow-up visit or office visit. Your insurance company made this policy. We are simply asking you to make sure you have your referrals prior to any healthcare services being rendered. Referrals have expiration dates. Please note the expiration date of your referral. It is your responsibility to obtain referrals and to ensure that they are current. Most HMO's do not let the family doctors backdate referrals. If you do not have a valid referral on file, you may try to obtain one at the time of service, you may re-schedule for a later date/time or you may choose to be seen. If you choose to be seen without a valid referral, you will be required to pay for the visit. **Please initial in the box that you have read and understand our HMO Policy.**

Rx Consent: By signing at the **BOTTOM OF THE PAGE**, I authorize The Gastroenterology Group, PA and its affiliated providers to view my external prescription history via the RxHub Service. I understand that prescription history from multiple other unaffiliated medical providers, insurance companies and pharmacy benefit managers may be viewable by my providers and staff here and it may include prescriptions back in time for several years. **Please initial in the left box that you understand the contents of this paragraph AND agree to give consent**.

NO Rx PERMISSION GRANTED: _____(Signature Required)

HIPAA Privacy Practices Acknowledgement: I have either received a copy of the Notice of Privacy Practices for The Gastroenterology Group, PA or have previously had the opportunity to review it. **Please initial in the box indicating acknowledgement of our HIPAA policy.**

Payment Authorization and Collection Policy: I authorize direct payment of all medical benefits to which I am entitled including Medicare, major medical, private insurance, or any other health plan to The Gastroenterology Group, PA. I authorize The Gastroenterology Group, PA to release any information needed for settlement of this claim to my carrier(s).

I understand that my insurance carrier determines settlement of this claim based on the terms of my policy in place at the time of service. Should there be any balance due after insurance settlement, I understand that it is my responsibility (co-pay, deductible, co-insurance). I understand that as these services were performed for me or my legal dependent, I am financially responsible for all charges whether or not paid by the insurance. If this balance is not paid within 90 days, I understand that my account will be turned over to collections. At that time, I will be responsible for both the outstanding balance AND all collections costs associated with the account. **Please initial in the box that you have read and understand our Payment Authorization and Collection Policy.**

I also permit a copy of this authorization to be used in place of the original. This assignment will remain in effect until revoked by me in writing.

Procedure Cancellation Policy: When you make a procedure appointment with us, we reserve a block of time especially for you and only you. If you do not appear for your procedure, that block of time is unavailable to someone else who is waiting for our care. We require **48 hours notice** to cancel or reschedule a procedure. If you fail to give the required notice, you will be subject to a $100 fee. The cancellation fee is not covered by your insurance. **Please initial that you have read and understand our Procedure Cancellation Policy**.
